

LABORATORIES/ORGANIZATIONS SEEKING PARTNERS FOR FIBER COUNTING ROUND ROBIN/SLIDE EXCHANGE PROGRAMS

Updated 10/22/2009

OSHA 29 CFR 1910.1001 Appendix A requires that any laboratory analyzing asbestos samples for compliance determination participate in round robin testing at least once every 6 months with at two other independent laboratories.

In order to assist in organizing these programs, the AIHA Registry Program, LLC will post on this webpage contact information for laboratories/organizations seeking partners for a fiber counting round robin program. The AIHA Registry Programs, LLC will not assist in developing procedures for the rounds. If you wish to be listed on this page, please e-mail your Lab/Organization Name, Location, Contact Name, Contact Phone Number, and Contact E-mail to cdezio@aiha.org with the subject line "Fiber Counting Round Robin." Please note that the AIHA Registry Programs, LLC has not reviewed and does not endorse any program organized by the laboratories/organizations on this list. Listing on this page is purely voluntary. Be sure to contact the AIHA Registry Programs, LLC if you are no longer seeking partners for your program, so that your information can be removed.

Contact the laboratory/organization directly to determine if there is availability in their program.

If you have any questions regarding or find any errors with this listing, please contact the Manager, AIHA Registry Programs, LLC, Carter Dezio, at (703) 846-0798 or cdezio@aiha.org.
