

AIHA-LAP, LLC Approved Proficiency Testing Programs and Round Robins

AIHA-LAP, LLC formally approves proficiency testing and round robin programs for its accreditation programs and accepts data from these programs for certain Fields of Testing (FoT). See Appendices A – D in the AIHA-LAP, LLC policies for tables listing various technologies and some associated methodologies that may be accredited under IHLAP, ELLAP, EMLAP and FoodLAP. AIHA-LAP, LLC will consider other programs for approval per 6A.3. of the AIHA-LAP, LLC policies. Contact mbreida@aiha.org for approval information.
